

Heritage Baptist Institute

News Letter

February 2010

Registration for the spring semester has ended with an enrollment of 41 students. While the number of students is less than our fall enrollment, God continues to bless us with a dedicated, focused student body. Many of those students who did not enroll for spring classes have already committed to attending when our fall registration begins. At times the demands of the work conflict with seminary studies and we encourage students to stay the course even when conflicting schedules hinder school attendance.

We are grateful to the ladies of the Bethlehem Ladies Auxiliaries and the ladies from Heritage Baptist Church who faithfully provides a weekly meal for our students. Since many students come directly from work to school, a hot meal each week is a special treat.
