

Heritage Baptist Institute News Letter

November 2009

This month classes will be dismissed for the MBA of Texas meeting and Thanksgiving. Already students are looking forward to the holiday break. We have plans for two fund raising activities beginning this month. We plan a book sale the latter part of November. We are also asking churches to participate in our annual student Christmas offering. This offering will be presented to HBI students before the Christmas break. In September and October I traveled to eleven associational meetings sharing the ministry of HBI. My visits were well received. Thank you for your Christian kindness. Currently HBI operates on \$ 2800.00 month. Additional funds are needed for the continued growth of HBI. We are asking each church to pray about supporting the HBI family through a one time offering or becoming a monthly financial partner. Seventy-five additional churches giving \$100.00 each month would satisfy our financial needs. Thank-you for all that you do for HBI.
