

# *Heritage Baptist Institute*

## *News Letter*

### *July 2010*

The presentation of Heritage Baptist Institute was well received at the National ABA meeting held in Charleston, West Virginia. During the ABA Schools Meeting, we learned that our student enrollment is above most other ABA schools. Interest in the fall classes was great. As reported last month there will be a small increase in student fees. Current information for HBI is available on our website. Visit us through the Heritage Baptist Church website, which is [hbctx.org](http://hbctx.org). Heritage Baptist Institute is still in need of new financial partners. Is God calling you to become a new financial partner of this great ministry? Please continue to pray for us. Thanks for your help!
