

Heritage Baptist Institute

News Letter

June 2010

Summer has arrived. It is a goodtime to rest and prepare for 2010/2011 classes. Preparation for our next school year has begun. It is never too early to prepare to do our best for God. One new change beginning this fall will be a small increase in student fees. Heritage Baptist Institute is still in need of new financial partners. Please consider becoming a financial partner of this great ministry. Current information for HBI is available on our website, which is upgraded monthly. Visit us through the Heritage Baptist Church e-mail address, which is hbctx.org. Please continue to pray for us. Thanks for your help!

Thanks to Our Faithful Supporters:
