## January 2010

Registration for the spring 2010 semester begins January 4, 2010 at both campuses. Again with God's blessings, we look forward to a successful semester of classes. God has already blessed us with a dedicated faculty and student body. These blessings make attending classes a great joy for everyone. As winter turns to spring the focus of our students will shift to the coming summer break. Let this be our first reminder to stay the course until semester studies are complete.

The student Christmas offering for 2009 was the most ever received. Listed below are those who made this offering successful. We are truly grateful for your support. Thank-you for all that you do for HBI.
