

Heritage Baptist Institute

News Letter

March 2010

Spring Break 2010 will soon be here. Classes will be dismissed for the week of March 15, 2010 and resume March 22, 2010 at the Beaumont campus and March 23, 2010 at the Missouri City campus. Student spirit remains strong and positive.

Heritage Baptist Institute is blessed with many faithful supporters. There remains a need for other monthly supporters. Support in any amount is appreciated. If HBI is not part of your monthly Please pray about becoming a financial partner.

I want to again thank the ladies of the Bethlehem Ladies Auxiliaries and the ladies from Heritage Baptist Church who faithfully provide a weekly meal for our students. Since many students come directly from work to school, a hot meal each week is a special treat.

Thanks to Our Faithful Supporters:
